Welcome

Postgrad Solutions is delighted to launch its monthly newsletter for our Law School clients. The purpose of this newsletter is to keep you informed of the reasons why we are able to offer our law clients such a great service. You are extremely important to us, and this newsletter is designed to keep you up to date with all of the new developments relevant to business schools on www.llmstudy.com and www.postgrad.com, and the different ways in which we are

here to provide you with a fantastic return on your investment.

Since the launch of the new www.llmstudy.com in 2007 our web traffic has gone up by approx 6% each month and our online community has grown enormously, now reaching over 154 countries around the world - so www.llmstudy.com really is a great place to get information to your potential and current postgraduate law students. Our website www.postgrad.com remains a core resource for LLM students with over 12% of its monthly users searching on LLM courses.

We are constantly looking at new ways to improve our service - from forging new marketing partnerships to offering you bespoke marketing campaigns - and this newsletter will keep you informed of all our developments as and when they happen.

Bursary Winners!

Last year Postgrad Solutions Ltd gave two postgraduate law students the chance to win a bursary of £500 each towards their tuition fees. The bursaries were open to any student starting a Master of Laws course at any registered institution in the world in September/October 2009. We had 207 applicants from 39 different countries - and have now chosen the two lucky students - Donald Tabone from Malta is studying an LLM in Technology and Telecommunications Law at Strathclyde University, meanwhile Condo Ndoli Said from Rwanda is going to study an LLM in International Humanitarian Law at the University of Geneva, Switzerland

Condo is a most deserving student, he says, 'To be awarded the study bursary

makes Postgrad Solutions part of the contribution in respect and protection of human lives. I will always be grateful of your help.' [Click here](#) to read Condo's story.

Donald is thrilled with the helping hand that Postgrad Solutions Ltd has given him, 'Winning the bursary has given me one more good reason to continue to pursue my studies and strive to invest in my education. I am excited and privileged to have been chosen.' [Click here](#) to read Donald's story.

Postgrad Solutions Ltd is also pleased to announce it will be offering the same opportunity again for two lucky students starting Master of Laws courses in September/October 2010 - [click here](#) for more information. And remember to link through to it from your institution's site so your potential new postgraduate students can have the chance to benefit from the Postgrad Solutions Ltd bursary scheme.
